RISK WARNING

Investing in start-ups and early stage businesses involves risks, including illiquidity, lack of dividends, loss of investment and dilution. It should be done only as part of a diversified portfolio. GrowthInvest investments are targeted exclusively at investors who understand the risks of investing in early stage businesses and can make their own investment decisions. GrowthInvest investments are targeted exclusively at investors who understand the risks of investing in early stage businesses and can make their own investment decisions. Pitches for investment are not offers to the public and investments can only be made by members of GrowthInvest on the basis of information provided in the pitches by the companies concerned. We take no responsibility for this information or for any recommendations or opinions made by the companies. We are unable to provide advice, unless you register as a Professional Client. This website is not directed at or intended for publication or distribution to any person (natural or legal) in any jurisdiction where doing so would result in contravention of any applicable laws or regulations. The investment opportunities offered on this platform is not covered by the Financial Services Compensation Scheme. Please note that the valuations of the businesses have not been independently verified unless stated otherwise.
